WELCOME MESSAGE

Dear industry colleague,

Once every three years, the congress of the European Association of Paediatric and Adolescent Gynaecology (EURAPAG) is organised by one of its members. For the 15th edition, the Dutch Society for Paediatric and Adolescent Gynaecology (DutchPAG), has been assigned to host this congress and, obviously, this unique opportunity has been welcomed with great enthusiasm.

As you know, due to the Covid-19 Pandemic, the congress had to be postponed from 2020 to 2021 and while we were still confident in the beginning of this year that EURAPAG 2021 could be organised as a hybrid congress safely, circumstances remained uncertain. Therefore, we were now forced to reconsider the congress format again and we concluded that a new change in format was inevitable. As a result, EURAPAG 2021 **has now been transitioned into a fully virtual congress**, still taking place from 9 to 12 June 2021.

With this corporate support prospectus, we have the pleasure to invite you to join this meeting and to offer you all virtual options that provide you with maximum exposure. EURAPAG has always recognized the importance of industry partners, as industry support and sponsorships are essential in making possible the many scientific and educational activities in our field.

The estimated total number of attendees is 350 and the international audience will be composed of key opinion leaders and healthcare professionals in the field of paediatric and adolescent gynaecology (PAG).

EURAPAG 2021 provides you with numerous opportunities to showcase your company virtually to a global audience. Since the last EURAPAG-congress was held already 4 years ago, this group of PAG-professionals can't wait to meet each other again. So don't miss out on this unique opportunity to get connected with them.

This prospectus contains a variety of support levels, but we are always open to explore other options with you and to compose a tailor-made proposal if the current levels do not meet your demands. Obviously, both EURAPAG as well as DutchPAG will be very appreciative of any support and/or sponsorship option you are able to provide.

Thank you in advance for your consideration and we are truly looking forward to working together.

With kind regards, on behalf of the Local Organizing Committee of EURAPAG 2021,

Evelien Roos – *Congress President*
